

Peaches

Georgia Grown
Peaches served in
your café this August!

Jaemor Farms is family owned and operated nestled at the foot of the beautiful North Georgia Mountains. The Echols family has been harvesting crops from this land for 106 years.

- Peaches, along with plums, apricots, and almonds, are part of the Rose Family.
- August is National Peach Month.
- Georgia is known as the “Peach State”.
- ★ Peaches are a good source of dietary fiber, Vitamin C, Vitamin A, and potassium.
