

Jimmy Nix & Sons' is a family-owned & operated apple orchard in Hendersonville, North Carolina. For over thirty years, the Nix family has grown apples, peaches, pumpkins, and blackberries.

- Apples float because 25% of their volume is air!
- There are 2500 varieties of apples grown in the United States and 7500 worldwide.
- Apples come in all shades of red, green, and yellow.

🌱 Apples are high in fiber and vitamin C!

Locally grown Apples served in your café this December!
