SY 24/25

Dear Parent/Guardian,

It is the goal of the Fulton County School Nutrition Program to ensure that our students receive safe and most appropriate nutrition daily.

If you believe your child qualifies for a special diet, the attached form must be completed and returned to the Fulton County School Nutrition Program (<u>MenusTeam@fultonschools.org</u>; Fax: 470-254-1249). Special diet requests will be reviewed and created in the order they are received. If your student is eligible for a special diet based on this information, we will contact you to establish a plan that meets your student's needs.

The guidelines for receiving a special diet are as follows:

- Students with disabilities whose licensed physician/physician assistant/nurse practitioner certifies the students require specialized diets or meals because of their disability.
- Form must be filled out by a licensed physician/physician assistant/nurse practitioner.
- Form must be filled out completely. If it is not, there may be a delay in creating and implementing a special diet for your child.

o Please be sure to include a valid phone number and email address on the form.

• Once your student's special diet menu has been created, a member from our team will email you a copy of the menu for your approval. Once approval has been received, a member from our team will train the café manager and staff on your student's specific dietary requirements and confirm a start date.

For SY 25/26, the form must be filled out after March 31, 2025. New forms are required each school year. Please review the instructions below to ensure that these forms are received correctly so that we may create a special diet as soon as possible for your child.

If you have questions, please contact us via email at <u>MenusTeam@fultonschools.org</u> or call 470- 254-8960.

Thank you,

## The Menus Team

# Medical Plan of Care for School Nutrition Program

For Students with Disabilities that require Special Dietary Accommodations

Page 1 is to be completed by a Parent/Guardian. Page 2 is to be completed by a licensed physician/physician

assistant/nurse practitioner.

Please return completed forms to the Fulton County School Nutrition Program, email to MenusTeam@fultonschools.org or fax to (470) 254-1249 at the Attention of the Menus Team.

The following child is a participant in one of the United States Department of Agriculture (USDA) school nutrition programs.
 USDA regulations 7 CFR Part 15B require substitutions or modifications in school nutrition program meals for children whose **disability** restricts their diet. The purpose of this form is for your licensed physician/physician assistant/nurse

- practitioner to document this disability.
- Under the Americans with Disabilities Act, any condition that substantially limits a major life activity constitutes a disability.
- Fulton County School Nutrition Program provides information based on label information provided to us and cannot guarantee that food products served are not processed in plants that also process nuts or other allergens.
- Labeled foods will only note the presence of nine major allergens: milk, eggs, fish, shellfish, tree nuts, peanuts, wheat, soybeans, and sesame. While efforts will be made to avoid other allergens, the Fulton County School District cannot guarantee that labels will disclose all possible allergens.
- If you have specific questions, please contact the School Nutrition Department.
