

Triennial Assessment Tool

Date of Assessment: 6/30/2021		Name of School District: Fulton County Schools		Number of Schools in District: 95
Nutrition Education Goal(s):	Goal Status (select one):	Number of Compliant Schools:	Notes:	
1. Educational Reinforcement (Public Involvement) - Collaborated with other school and community groups to conduct nutrition education activities such as health fairs, career days, health/nutrition professional presentations, etc.	Partially Completed	75	Due to COVID, schools did not allow outside visitors. This impacted the level of collaboration with community groups, and did not allow for health fairs, career days, etc.	
2. Curriculum Content Areas - The school supported the comprehensive health education curriculum nutrition concepts and skills in accordance with curriculum standards.	Partially Completed	89		
3. Education Links with School - Staff created nutrition education lessons in the school cafeteria and classroom by coordinating with school nutrition manager and teachers. Staff Integrated nutrition education with other school health initiatives.	Partially Completed	52	Due to COVID, interaction between departments within a school was limited. This was to ensure the health and continued learning of our students.	
4.	Choose an item.			
Nutrition Promotion Goal(s):	Goal Status (select one):	Number of Compliant Schools:	Notes:	
1. Cafeteria Based Nutrition Education and Promotions at the School - Students participated in activities that promoted and reinforced healthy school nutrition environments. Staff conducted promotions	Partially Completed	88	Due to COVID, interaction between departments within a school was limited. This was to ensure the health and continued learning of our students. Schools did not allow outside visitors
